Great!

Your kitchen staff compost all their fruit and vegetable peelings.

Well done!

A team of children empty your compost caddies into the composter each day.

Excellent!

You put a compost caddy in the staffroom for teachers' tea bags and fruit peel.

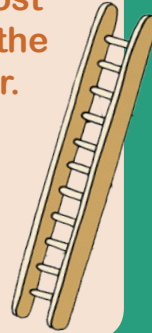

Congratulations!

You use the compost you've made to grow tasty vegetables in the school grounds.

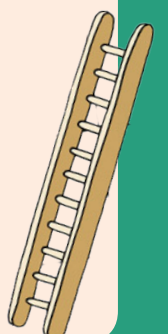

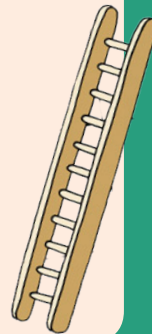

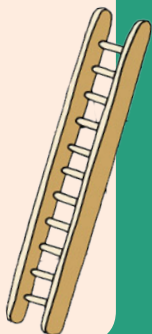

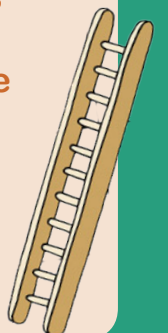

Hurray!

Parents use your compost caddies at the summer fair.

Well done!

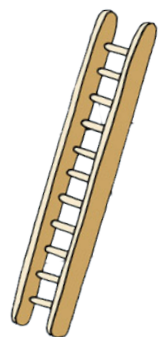

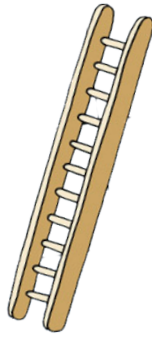

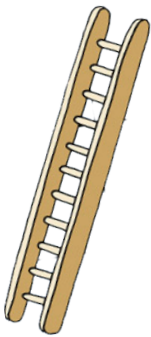

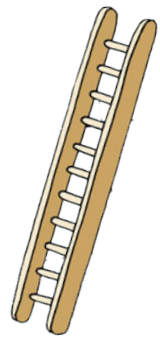

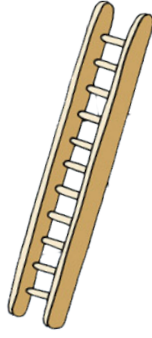

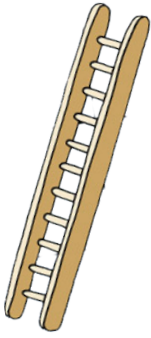

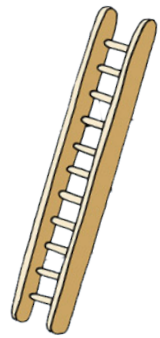

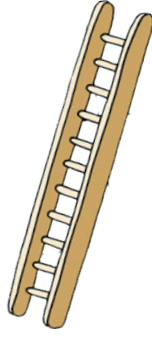

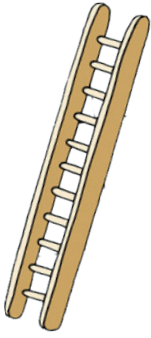

You're expert composters and the temperature inside your composter is nice and warm.

Don't let Devon go to waste

Create your own extra ladder cards here.

Excellent!

You run a whole-school competition challenging pupils to design a new label for your compost caddies.

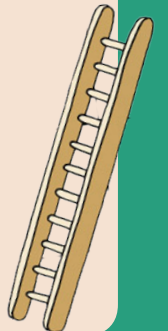

Hurrah!

Your headteacher puts a photo of your composter on the school's website.

Well done!

The Eco Team do an inspiring compost assembly.

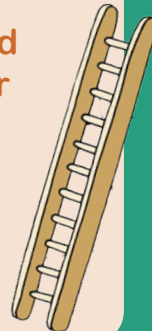

Great!

You have caddies in the dinner hall to collect any leftover food from school dinners.

Excellent!

You remember to add wood chip to your composter every day.

Great!

Pupils record the temperature of your composter in their science lessons.
