

**Don't let Devon
go to waste**

To download and print the Snakes and Ladders board and instructions for playing the game, go to: zone.recycledevon.org/teachers

Balance alert!

You forget to add 'brown' materials to your composter.

Contamination alert!

You find a plastic wrapper in a compost caddy.

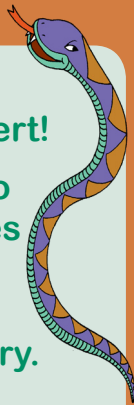

Smell alert!

You only empty your compost caddies once a week.

Balance alert!

You add too many leaves and your compost gets very dry.

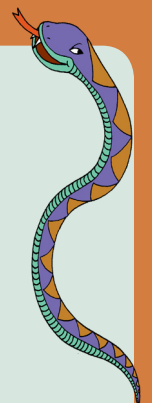

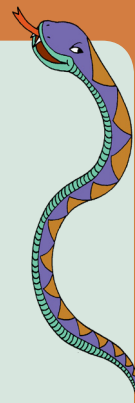

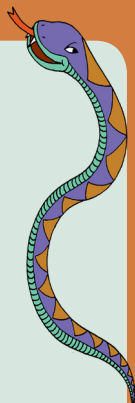

Attitude alert!

You are shocked to overhear somebody saying "composting is a waste of time."

Knowledge alert!

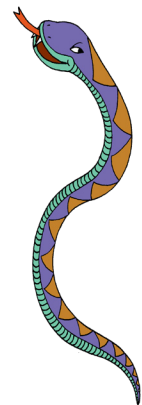

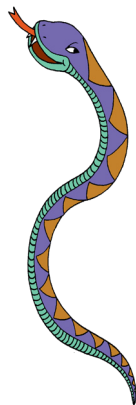

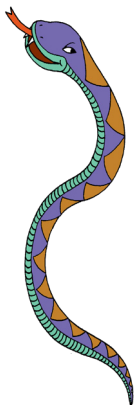

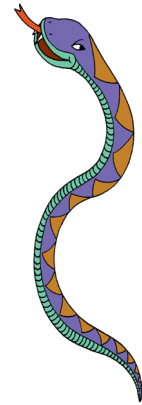

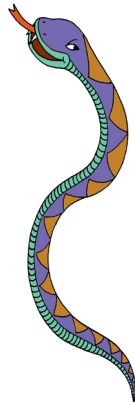

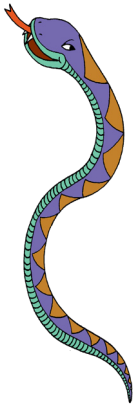

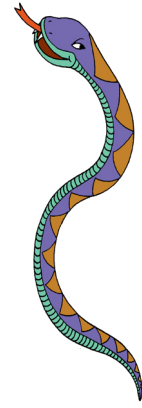

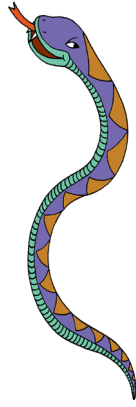

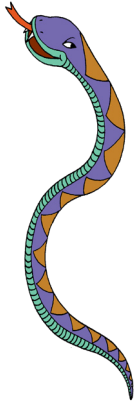

You realise some children don't know there is a composter in the school.

Don't let Devon go to waste

Create your own extra snake cards here.

**Don't let Devon
go to waste**

To download and print the Snakes and Ladders board and instructions for playing the game, go to: zone.recycledevon.org/teachers

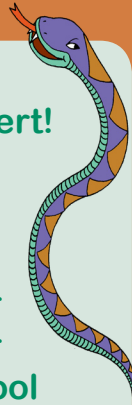

Science alert!

A class is studying minibeasts, yet doesn't go and explore your compost bin.

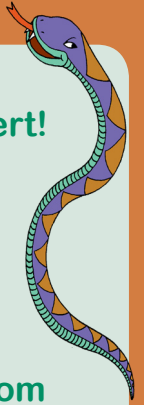

Memory alert!

You find an empty, forgotten composter in a corner of the school grounds.

Memory alert!

A teacher forgets about your composter and buys compost from the garden centre.

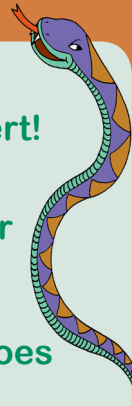

Materials alert!

You run out of wood chip and decide to use cardboard instead.

Oxygen alert!

You forget to turn your composter and the compost goes sludgy.

Rubbish alert!

You are shocked to find fruit peel and cores in the rubbish bin.
